

CITRUS FLAVORS FROM AROUND THE WORLD

BE INSPIRED

The growing sense of experimentation, the need of variation and the dynamic global tourism are driving consumers to look for unknown and unique food & beverage products. In today's competitive landscape and as raw materials costs tend to vary, Gat Foods' exotic citrus compounds and bases are the perfect solutions answering both consumer trends and industry needs.

Quality fruity solutions - exotic citrus flavors

Gat Foods' offers citrus flavored bases and compounds, inspired by exotic citrus from around the world.

From the aromatic characteristic flavor of **yuzu**, to the sweet and sour **qumquat**, the sweet lime-like **mousambi**, the semi-sweet **red grapefruit** flavor, the typical **mandarin** flavor and the hybrid pomelo-tangerine **red orange** flavor- our solutions guarantee simplified manufacturing processes and increased efficiency.

Gat Foods' expertise

Gat Foods is a global supplier of integrated, technology-based fruit solutions, providing advanced bases, compounds and raw materials for the worldwide beverage industry.

With over 75 years of vertical knowhow- growing and processing fruit, developing a wide range of integrated solutions and product applications and researching the beverage market- we tailor our solutions according to our clients' needs.
