NON-ALCOHOLIC FRUIT DRINKS INSPIRED BY POPULAR COCKTAILS, INCLUDING ALCOHOLIC FLAVORS

## ARE YOU ALSO LOOKING FOR YOUR NEXT DELICIOUS AND INNOVATIVE BEVERAGE CONCEPT?

We are happy to present Gat Foods Fruity Mocktail drinks concept!

Bases and compounds for the production of **Mocktails- virgin fruit mix**

Inspired by famous international cocktails, our bases and compounds for Mocktails-virgin fruit mix drinks, hold a special twist, combining fresh fruity taste with a note of alcoholic flavors.

Thanks to our long experience in fruit processing and compounding, we provide bottlers with the necessary building blocks, including advanced integrated solutions and raw materials for creating multi-sensory and tasty fruit based solutions.

Our Mocktails concept includes popular flavors such as Mojito, TequilaSunrise, Capirinha, Piña Colada, Strawberry Margarita and Blue Hawaiiana.

These drinks can be enjoyed as an excellent alternative to alcoholic cocktails as a non-alcoholic fruity RTD or used as a mixer to be combined with its matching favorite alcohol.
